CARRIE CHAPMAN CATT  
You can't be considering this.

ANNA HOWARD SHAW

CARRIE CHAPMAN CATT

Anything that takes focus away from--

ANNA HOWARD SHAW

They'll receive a budget of ten dollars. Represent us in D.C.

LUCY BURNS

Ten dollars per month?

ANNA HOWARD SHAW

Total.

ALICE PAUL

ANNA HOWARD SHAW

You seem like clever girls. Now, we have business to take care of.

CARRIE CHAPMAN CATT

Real business.

Alice and Lucy exit.

ANNA HOWARD SHAW

You have more in common with that girl than you would like to admit.

CARRIE CHAPMAN CATT

The deranged one?

ANNA HOWARD SHAW

The smart one.

CARRIE CHAPMAN CATT

ANNA HOWARD SHAW

Shaw exits.
